

SNRE Graduate Student Funding Plan

Complete the below funding plan for your requested graduate student by providing funding information for Fall, Spring and Summer for each academic year.

MS students: Please complete at least 2 full academic years. **PhD students:** Please complete at least 3 full academic years.

- **1st year PhD funding is for 2 academic semesters. Cannot be used for summer.**
- If you select future funding, please describe what plans you have for future funding.
- If you select **Research Assistant** please provide an account number that you will support them on.
- If you select **Teaching Assistant** or **1st year funding** please keep in mind that this is need based and will be reviewed case-by-case and based on funding availability.
